Letter of Reference

RE: Pieter Van Niekerk
Comodo Construction Ltd.

To Whom it may concern

It is always a pleasure to offer a letter of recommendation for someone who did the work above and beyond our expectations.

Pieter recently completed electrical (several pot lights), tile and grout work, installed laminate flooring, under the counter lighting, a new intricate 14 foot long kitchen counter and to his suggestion a very impressive crown molding and valance above and below the existing 26 feet of cupboards.

You are more than welcome to telephone us regarding any questions or concerns you may have about Mr. Van Niekerk.
